

Skillathon Swine Quiz

Thank you for participating in The Mill's Skillathon Swine Quiz. We hope this quick review will help you study for your contest. Please note, this quiz is designed for those who attended Cassie Holloway' Swine Presentation and we have collected a list of those who are eligible to submit this quiz.

1. Match that pig!

Berkshire	White points, black body, down ears
Yorkshire	White belt, black body, erect ears
Poland China	White with large droopy ears
Landrace	Red with droopy ears
Duroc	Spotted body with droopy ears
Chester White	White with erect ears
Hampshire	White points, black body, erect ears
Spot	White with medium droopy ears

2. Pigs can practically eat anything! This means pigs are Herbivores/Omnivores/Carnivores.
3. What is the ear notches of the pig to the right?
4. What is a pig's gestation period?
5. Where are the Boston Butt and Loin located?
6. What does PSE stand for?

Bring your completed quiz to one of our six Mill locations. Limit one quiz per attendee. **Attendees must submit the quiz by 2/28/18.** We wish you good luck with your future Skillathon contests!
